Fee Agreement for Initial Consultation

Charges for an initial office consultation must be paid at the time of the appointment unless other arrangements have been made with the attorney prior to the appointment. Consultation charges are as follows:

Up to one-half hour: \$150.00

Over one-half hour: \$75.00 per ¼ hour increments

No services will be performed beyond the initial consultation without a written engagement contract.

Your questions about professional fees are invited. The attorney-client relationship is better served by open discussion of fees. This information has been provided to you so that you will have a pre-interview opportunity to consider financial arrangements.

The State Bar of Texas investigates and prosecutes professional misconduct committed by Texas attorneys. Although not every complaint against or dispute with a lawyer involves professional misconduct, the State Bar's Office of General Counsel will provide you with information about how to file a complaint if you feel one is warranted. You may call 1-800-932-1900 for more information.

I have read and understand the above, and agree to pay the above consultation fee.
